عالمی تحریک اسلام

A BRIEF MANIFESTO

1st OBJECTIVE

UNITY OF MUSLIM UMMAH

“MUSLIM UMMAH”: One nation or one community that follows one particular path (Allah’s Shariah) who adheres to one socio-economic-political system and whose unity is beyond communalism, tribalism, nationalism and juristic divisions. Whose unity was strategically scattered by masonic powers through World War-I and installed over most of them proxy governments to assure their geographical separation based on linguistic and ideological divisions. Re-instating the very idea of “One Muslim Ummah” in Muslims globally is the primary objective of our Movement.

Working out a formula to reconcile the internal differences, sectarian divisions and ideological drifts. The only plausible and possible way is to stringently adhering to teachings of glorious Quran and Sound traditions (Mutawatir & Saheeh) of Prophet Muhammad peace be upon him, preaching and practicing only what is enjoined by Quran and Widely accepted sound ahadith, every practice apart from this main stream, personal views and practices should be a private affair.

2nd OBJECTIVE

INTEREST BASED ECONOMY

Interest and usury are forbidden in Islam, either it be at street level or at both national and International level. It binds upon us to act when we know that it's the back bone of entities hostile to Islam and particularly masonic conspiracies, they inflicted financial slavery on us and whole humanity is in their captivation. So, in these circumstances it's our Movement's Second Objective to create awareness in Muslims and resist this evil system on both individual and collective fronts and simultaneously provide an Islamic alternate i.e Bait-ul-Maal, which accumulates its reserves from Muslim's Zakath (Mandatory alms), sadaqaat (Charity), Waqf (Donation: either it be money or any other form such as land, farms, real estate, tools, machines, utensils, cloths etc) and investments whose revenues will be added to the reserves. It will cater the needs of poor and needy people, provide interest free personal and business loans.

3rd OBJECTIVE

DEFENDING ISLAM & MUSLIMS

(اعراف:157). فَالَّذِينَ آمَنُوا بِهِ وَعَزَّرُوهُ وَنَصَرُوهُ وَاتَّبَعُوا النُّورَ الَّذِي أُنزِلَ مَعَهُ أُولَٰئِكَ هُمُ الْمُفْلِحُونَ

In light of this verse supporting and defending the honor and seal of prophet hood of Muhammad s.a.w.s is part of our faith.

وَمَا لَكُمْ لَا تُقَاتِلُونَ فِي سَبِيلِ اللَّهِ وَالْمُسْتَضْعَفِينَ مِنَ الرِّجَالِ وَالنِّسَاءِ وَالْوِلْدَانِ الَّذِينَ يَقُولُونَ رَبَّنَا أَخْرِجْنَا مِنْ هَذِهِ الْقَرْيَةِ الظَّالِمِ أَهْلُهَا وَاجْعَل لَنَا مِنْ لَدُنْكَ وَلِيًّا وَاجْعَل لَنَا مِنْ لَدُنْكَ نَصِيرًا (نساء:75)

In light of this verse supporting and defending the honor of oppressed and weaker Muslims is the foremost obligation. We will deliver a befitted reply to every individual and organization who attempts to blaspheme our Lord

Allah or malign Prophet Muhammed *peace be upon him* and his household or our religion.

Defending and standing by the oppressed at every possible front, either it be an individual, community or state (Like Uighur, Kashmir, Palestine etc.). Defending the Honor and seal of prophet hood of Muhammad *peace be upon him*.

4th OBJECTIVE

AWARENESS AGAINST OCCULTS' AGE-OLD SINISTER PLANS AND FOILING IT

ظَهَرَ الْفُسَادُ فِي الْبَرِّ وَالْبَحْرِ بِمَا كَسَبَتْ أَيْدِي النَّاسِ لِيُذِيقَهُمْ بَعْضَ الَّذِي عَمِلُوا لَعَلَّهُمْ يَرْجِعُونَ
(روم:41)

There are numerous secret societies in world laboring to pave the way for Dajjal's arrival since centuries Ex: Knight Templars 1000 yrs., Freemasons 700 yrs. and Illuminati 300 yrs. and Illuminati being the most notorious and powerful and over the years has become an umbrella organization of occults who control almost all the political and financial institutions, all media houses and entertainment industries. They are Luciferians and according to their dogma Jesus son of Mary on his return will abdicate his throne in favor of Lucifer hence Jesus' kingdom in heavens and Lucifer's on earth will be eternal so 200 years therein they doctored Europe on their notions and now Islamic world is their target, to achieve that they cuddled and nurtured Zionism (which in itself is a great evil) into a giant to bring it in a face-off with Islam and pillage the world to instate "One World Government" as a solution to prevent the wars in future, with one world religion and one unanimous leader.

Objective: To raise awareness of this evil in Muslim's, spoil their plans and defy them their agenda, and on contrary advocate Islam's socio economico politico Ideology.

5th OBJECTIVE

INTERNATIONAL ISLAMIC COMMITTEE

An international autonomous body comprising of heads of various organizations (With Aqamat ud deen as their objective) scholars, economists, journalists, jurists and even head of state, it will not be under influence of any prevalent form of govts. It will advocate and address all issues pertaining to Ummah. In a nut-shell they will lay the blue prints for various geographical locations.

6th OBJECTIVE

SUPPORTING EVRY ORGANIZATION AND GOVT. WORKING FOR ESTABLISHMENT OF DEEN.

Working for Establishment of Allah's Deen (Aqamat ud deen) is not the responsibility of citizens of a particular Nation. It is the responsibility of All the Muslims across the globe, where ever conditions are favorable all Muslims altogether should strive and support its establishment, the Migration of blessed Prophet Mohammed *pbuh* is a perfect example of that, otherwise first Islamic State would have been Makkah. We should learn from our enemy, since the inception of Zionism all the Jews of the world has supported Israel's establishment and now working hand in glove for its expansion. If any such endeavor succeeds to come into power, the evil powers and their proxies will not let it function unless and until whole

united Muslim Ummah (masses) concentrate its power behind them, to one geographical location.

All the Evil powers (Illuminati+Zionism+RSS etc.) has collaborated now Muslim Ummah should and must unite as a whole.
